General Membership Meeting on FRIDAY at 10:00 a.m. by cabin #170. **BRING YOUR CHAIR.** All welcome. MVCC Officers introduced, news about Fall 2017 events not already in the newsletter, Camp Petaluma 2018, and more!

Board Meeting is scheduled right after the Member Meeting at this time

### **GENERAL INFORMATION**

It's a MV gathering AND a swap meet! Clear out your shed! Sell the stuff you bought in April so you can buy more stuff! No charge to sell from your campsite. No vending in other places.

We are focused in Campground 2 this time, the one below the main levee road, NOT CG 4 where we used to be in the Fall. This puts us close to Rosa's Restaurant, bar, store, Sunset Sweets, the marina and boat ramp.

As usual at the Fall and Spring meets, early birds are welcome prior to Tuesday. Last Sunday is pull out day, not a show day  
Day visitor fee for our commuters is waived. See parking section below.

Hotels are six miles east by Interstate 5. More lodging is at B&W Resort, 5 miles west on Hwy 12.

Contrary to earlier info there will be no fee to use the pools, just ask for wristband at office. Both pools are heated.

A Tower Park, no fires on the ground because the peat soil will burn underground. Raised pits and wood are available.

If you are using a campsite you have used in the past, be aware they have installed paved patios and fire pits in some that can affect where you park or position a tent.

To discuss campsites or cabins for this or the 2018 meets, contact our "Wagonmistress" Jo-Ann Lesser at campsite 100, at [mamalesser@yahoo.com](mailto:mamalesser@yahoo.com), cell 408-440-6068, or home 408-238-8277. She assigns all sites and tells the reservation office to accept your deposit for it.

If you are bringing a MV but are not renting a campsite and have no place to park, usually someone has extra space in their site they will trade for beer, soda, or cash! Ask around or ask a MVCC officer, or contact John Neuenburg at cabin #178 across from the restrooms, at [in\\_garage@hotmail.com](mailto:in_garage@hotmail.com), or 415-847-2801. Same goes if you have a site with extra room for a MV. John will try to put people together.

### **PARKING**

No parking in the campgrounds unless in your campsite. That includes along the roads in camp. Commuters-use the levee which is very close, and walk in via stairs or ramp. Park on the campground side, not in front of the tenant boat sheds. No parking fee.

DO NOT STORE TRAILERS ON THE LEVEE! They use up space. Use the lot by the guard shack or frontage road shoulder.

Roads are fire lanes – do not block them. Do not park in a vacant campsite because it won't be vacant for long!

Management may have illegally parked vehicles towed to Lodi or Stockton
