Presidents message, August 2104

Last month I wrote about people attending parades and then not appreciating military vehicles. This 4th of July the South Bay group attended the Morgan Hill parade and I was reminded of how different parades can be. We'd done the Rose, White and Blue parade in San Jose for a few years and decided to give Morgan Hill a try again this year. WOW, the Morgan Hill parade was always a good parade but this year reminded me about just how good a parade can be. It's about a 4 mile square route and there are people everywhere along the way! Thousands of people! The spirit and attitude of this parade made me remember just how good it can feel again. We'll probably alternate between parades in the coming years but if you want to understand what makes us as participants feel good Morgan Hill is the place to be.

A little side note, Did you know that Congress has passed a resolution naming the second Sunday in August as "Spirit of '45 Day"? As we approach the 70th anniversary of the end of World War II the MVCC should swing into action and become a major presence wherever and whenever we can in these events. Every newsletter says "SUPPORT OUT TROOPS". Here's a chance to say thanks once again to the brothers and sisters, mothers and fathers, aunts and uncles who went off and did their duty to their country. Remember them now, sadly, they'll be gone too soon.

July is the busiest month of the year for the MVCC between parades, conventions, and the D-Day celebrations. I hope every one of you had an opportunity to get out and spread the word about the club. We do some advertising but too often we heard that familiar, "I didn't know anything like this existed". All of us need to work explaining who we are and what we do to those people. Invite them to our events and meets but mostly let them know that there is a growing number of people who just like the vehicles and their histories. You can be a recruiter for the MVCC as well as a member. If you would like flyers or business cards to keep with you to pass out let me or your local VP know and we'll get them out to you.

Keep 'em rolling

Hello out there in the OD Zone! Are you ready for September Tower Park? September is right around the corner and with it a lot of MV events, the most fun and important being our very own Camp Delta at Tower Park. We're featuring a Tracked Vehicle Showcase, so if you have a tracked vehicle, now's the time to bring it! Any military vehicle with tracks is welcome - even halftracks or vehicles missing one track are welcome to attend. I'll be there with the USMC Weasel, sporting a newly installed, original, Weasel self-sealing fuel tank. If we get more than one Weasel, we're calling it the West Coast Weasel Fest (hmmm, WCWF sounds like some kind of world class sport...) I'm hoping to get access to an open area next to the dry camping area for an obstacle course, where we can show off our vehicle's capability and our track driving skills (or lack of). So if you've got a Weasel, even if it has to sit on a trailer, please bring it to Tower Park.

See you there!
Dave

Hello to every one in the North Bay. I hear the 3rd and 4th of July parades in Benicia and American Canyon were a big success, unfortunately I was not able to be in them this year due to a short stay in the hospital on the 3rd and 4th. On July 5 we had an open house on the LCS 102, Mighty midget at Mare Island. The day started with a guided tour of the very seldom seen back side of the Island. Four jeeps made the tour. In attendance were John and Marilyn Neuenburg, Jim Porterfield, Scott and Wyatt Rohrs, Lazaro Sanchez, Joseph West, Greg Lalonde, Fred Klink, John Fornbacher, Percival "Chico" Ramirez. I arrived later in my 41 Dodge. Sonny Hanson

August 2014

Hello from the North Bay. Well I hope everyone enjoyed a outstanding fourth of July holiday. It was a busy holiday weekend for us in the North Bay. It started with the twilight parade in Benicia on the third. We had a good turnout of vehicles and reenactors. It's always fun when you can make some noise with the oxygen/propane gun. "The crowd eats it up"! The next morning the local Napa boys participated in the Napa downtown parade, all of us decked out in uniforms and field gear. After the parade we moved up to the Vets Home in Yountville, and displayed the vehicles. Mingled with Veterans and listened to some great big band music as we waited for the fireworks show.

The fifth of July found us on Mare Island in Vallejo (the former Naval base). Led by Greg Lalonde and Jim Porterfield, we took a little "behind the scenes" convoy around the island. We enjoyed incredible views of the bay, and had an awesome photo opportunity with our vehicles. Fred Klink (the leader of the Naval Amphibious Forces group) coordinated a living history and public education event after the convoy at the LCS 102 (landing craft support ship). This "Gun Boat" is moored at the dock at the former naval base. The crew of the ship put on a great lunch and let us come freely throughout the ship. Sonny Hanson, Jim Neuenburg, where there and had club fliers for guests. Overall a very event filled weekend and enjoyable time had by all.

Remember to get your reservations in for the fall Tower Park event. The Sonoma County Air show is also in September this year. Enjoy this great weather and this great club.

Events of July and future activities for MVCC South S.F. Bay Area

4th of July

The MVCC participated in the 4th of July parade in downtown Morgan Hill. We had 8 vehicles that included a maiden parade voyage for a freshly restored WW2 Jeep owned by Carl S. Weather was cool at about 90 degrees and there was a nice wind. Thanks to Jo-Ann and early registration, we had position # 95 out of about 130. There was a packed town of observers and the route weaved it way back and forth to the train station. There was a great appreciation of our military vehicles. For the most part, the uniform of the day, Hawaiian shirt over O.D. was followed, but there were a few die-hards.

11 & 12 July

The Littlefield Auction. The Collings Foundation sanctioned Auctions America to auctioned off the vehicles from Jacques Littlefield's collection, that they did not need or were excess to their needs. There were 121 vehicles in the auction and 326 lots of vehicle parts and accessories. Auction America handled the auction and promoted the fact that 100 % proceeds of the auction, will go to The Collings Foundation. There were about 300 bidders. The grand total was around \$10.2 million for construction of a building to house the vehicle they kept. It was a very sad Saturday afternoon after the auction, saying far well to all the vehicles. It was also the last time for visiting the Pony Tracks Ranch. The auction results can be found at <http://www.auctionsamerica.com/events/all-lots.cfm?SaleCode=LC14>

8th through 10th August Upcoming.....

The “Spirit of ’45” event returns to San Jose on August 8 thru 10th. All MVCC members and vehicles are invited to this “Spirit of ’45” Event at History Park 1650 Senter Road, San Jose. Overnight dry tent camping is available. The 2014 version of the “Sprit of ’45” poster highlights having a live band and swing dancing, 1940 fashion show and 1920 – 1940’s vintage cars, WW2 vehicles, WW2 military re-enactors and their tent city, book signings and kids activities and much more. Members with military vehicles get in free, if they drive into display area. <https://www.facebook.com/BayAreaSpiritof45>

11 November Upcoming

Veterans Day Parade in San Jose.

Jo-Ann sent in our request to participate in this parade. No other location has been explored, as yet. Keep tuned to the “G” spot (G503.com) MVCC section for updates or email me.

December Upcoming

The South Bay Area MVCC and other areas members are invited to our Christmas party & gift exchange. Dates TBD and location will most likely be Harry’s Hofbrau on Saratoga Avenue. Kim

backtothe40s@gmail.com

Hello to all from the East Bay

Another 4th of July Parade in our city of Alameda is now past and what a Great turn out of spectators and our own MVCCers. In a record of 170 entries we were number 94 in position and I think the best showing of Military Vehicles.

Ed Roberts in his historically equipped 42 GPW looked great, followed by the Cooper's 44 GPW, George and Cathleen, he was in Army Air Core class A's and Cathleen in a 40's dress and bonnet, who by the way were pictured on page 5 of the San Leandro Times news paper under "Everybody has a blast at the 4th of July Parade"

Next came John and Marilynn Neuenburg in their recently reconfigured British Desert Group 42 GPW and both of them looking like they just came off a movie set . 4 Vickers's machine guns.

After that, driving her Chevrolet Military Blazer was Terri Karvonan with guests Liz and Gerry as side kicks

Right behind was Kevin Karvonan in his Military Police 44 GPW, with Robert and Scott as troops.

Well that adds up to 4 GPW's. I guess It's time. My 1945 MB was also in the parade towing the museum's 18 foot-long A7 Wing tank, still laying down a smoke screen.. Following were our own Bobby, our museum desk docent and his friend Robert, in their Ford P/U towing a Civil War cannon.

This parade is 3.3 miles long, the longest in the state and our clutch legs get a work out, but every one had a good time honoring our country and our military history. Two of our volunteers were in full military combat gear, Carlo and Pit both carrying BAR's, walked the whole distance .

We then adjourned to the Naval Air Museum for refreshments,

I want to thank one and all for their participation and dedication in keeping the history alive for our future generations, who were a large part of the viewing public.

That's all for now, Over and out, The 40's. Larry

When this report is due for publication in the next Newsletter; I will be with 12 other members of our club at the War & Peace Show in Great Britain. I will give a full report with photos when we get back.

We had another successful 4th Parade in Monterey, although I had four vehicles signed up, we had one no show. It always amazes me how the announcers can't seem to get it right as we parade in front of the review stand. "We know have four vehicles from the MVCC" and there are only three of us! Oh well, guess they can't count, or change their script on the fly.

We had Marc leading; as his vehicle is older than mine, I followed him, and since Damon's truck is so much larger than us he pulled up the rear, I think he is used to that and doesn't seem to mind.

My jeep ran well; for a change, as it should. As most of you know I have no mechanical skills and had it in the shop, got new shocks, springs, rebuilt carburetor, new fuel pump, & thermostat, plus the standard lube & oil change. I still have a oil leak from one of the seals but we are saving that for "next time".

There are a couple of photos that I took before the parade somewhere else in the newsletter and maybe some from Marc if he submits them. More about the W & P Show next month.

Jack Valenti

Come on out and Join the Party! **2016 MVPA Convention Committees**

The MVCC has been awarded the 2016 MVPA Convention, it will take place August 11-13, 2016 at the Alameda County Fairgrounds in Pleasanton Ca. This is your chance to strut your stuff in front of enthusiasts from most states and many countries, plus people new to the organized hobby who see our advertisements and will attend their first MV meet. At the Camp Delta meet in April we talked to members wanting to help. It takes many volunteers to do a great Convention and the MVCC has some of the best. We had a level-of-interest sheet for people to mark what committee categories they are interested in. Some said, "I'll do whatever you want me to do." That's the spirit! If you are not on our radar screens, please respond after you read this article. We are choosing committee heads as you read this and will start building committees soon from those on our current list. There will be some tangible benefits for those who work on this show with us. Besides being part of the behind the scenes action with first in last out access, there will be parking considerations and more. Committee members will share in the success of creating a great MV event. A great way to meet people with similar interests especially for new members so come and join us and be apart of the team and enjoy the hobby in a way you will remember for a long time to come. Some posts don't overlap so it is possible to be on more than one committee. If you want to get on our list or learn more details about what committees do at the National Conventions and the perks: There will be a meeting following the general membership meeting next month at Tower Park. This will be an event you will not want to miss! So why not join the team and help your club put on the largest showcase yet!

**Contact John at 415-491-1601 or email: in_garage@hotmail.com, or
Dave at 408-866-8233 or email: vought@msn.com.**

Shipping & Order Policy

No Handling or Box fee ~ No charge for HAZMAT fee ~ No Minimum Order ~ We ship all in-stock parts same day if order is placed before 2:00 PM PST M-F ~ Prices subject to change ~ Minimum shipping charge \$2.00 ~ Actual Shipping or Freight charges only)

Below are a few Pictures from Roy Hamilton of his M20. He had collected all the parts back in the day when the yards were ripe for the picking and stored them away. Then Roy restored the M20 with the best parts available to the highest standards possible. The vehicle was sold to Jacques Littlefield and was sold at the Auction Last Month. The pictures below given to me by Roy are of the M20 as it was after Roy restored it not as it sat at the auction. The M20 now resides in NY.
ED.

SCUTTLEBUTT

Jacques Littlefield's collection of Military Vehicles has been auctioned. Auctions America did a great job of it over four days, July 9th thru the 12th. The first two days were preview days, the third day the parts were auctioned, and on the fourth, the vehicles themselves were auctioned. The proceeds of \$10.2 million will be used to move the 80 vehicles that the Collings Foundation kept to Stow, Massachusetts, and to construct a large building to house them. There were many MVCC members on hand to watch and bid on vehicles and parts. I was onsite for 3 days and have put a couple pictures below. Please go to this link for the results of the auction. <http://www.auctionsamerica.com/events/all-lots.cfm?SaleCode=LC14>

FALL CAMP DELTA ACTIVITIES

Camp Delta at Tower Park Fall Edition 21-28 September 2014

By John Neuenburg, Camp Delta Activities Coordinator

The second largest MV swap meet and gathering in the Western U.S. is a little over a month away. Are you ready? Have you cleaned out your shop and have treasures to sell? Do you have your want-list ready for your upcoming winter project? Ready to relax in the sun with the pool and water features to keep the kids busy?

This Fall we are featuring a MV showcase: **“Weasels and Other Tracked MVs,”** scheduled at this point for Friday morning. We have \$200 from Hagerty Collector Vehicle Insurance for People’s Choice Contest prizes, and we might find a co-sponsor to spice up the loot. **Dave Porter is our POC** so contact him if you can bring a MV. His info is next to his VP mug shot. A couple of Weasel people have asked for their day in the sun - now we hope a few show up! Dave can probably use some help rounding up the Weasels in the region so please think about who has what and pass the word. All tracked MVs are invited and that means halftracks too. Who brought the Kettenkrad last April? Let’s invite him. What can you bring, restored or not?

Spud guns are returning to the display field! Air powered only. Bring your own spuds. An air compressor or two with hoses will be available, plus targets.

California Center for Military History will tentatively conduct a display at the Cooper Fall camp #296. This is also the location for the MVCC Morning Coffee fundraiser.

Four awards will be handed out: Longest Distance Driving a MV, Longest Distance Bringing a MV, Longest Distance Travelled to the Meet, and Hard Luck Award. It is up to you to submit your name for these contests via a sign-up sheet at the MVCC info table or tell a MVCC officer. Recognition will be made at the beginning of the MVCC membership meeting around 1015 Saturday.

We will have three catered dinners - Arnold Hof’s BBQ on Thursday, Rosa’s Restaurant is doing an Olive Drab Oktoberfest on Friday, and KOA will cook spaghetti dinner on Saturday. As usual there will be an Early Bird Potluck Dinner on Monday, with VP Sonny Hanson as POC. For that one, bring a dish to share plus your utensils, plate. All dinners kick off at 1800 at the Pavilion.

MVCC Membership Meeting will be at 1000 Saturday followed by a meeting of 2016 MVPA Convention committee volunteers. if you have not raised your hand to help, please give us a call. We will announce committee heads at this meet and are planning a walk-around at Alameda County Fairgrounds this Fall.

So report to the Stockton Delta KOA, 14900 Hwy 12, west of Lodi, CA, 95242. If you have not been to a Camp Delta meet before, some people arrive the first Sunday to set up camp and watch the build-up. It starts to get pretty busy by Wednesday afternoon. Friday is the biggest day. The last Sunday is pull-out day. Not a good day to show up!

AFTER ACTION REPORT

Salinas Rodeo 2014... Reported By Marc Goldman. (aka Private Parts or just plain old Parts)
The gentleman on the left in the red shirt, doing security is the Mayor of Salinas, Joe Gunter. The guy in the middle in the white shirt with his elbow on the Dodge is the past president of the Rodeo Association. When Marc came back from raiding the hotdog stand, a confused gentleman surrounded by security who is the spitting image (rodeo talk) of Kurt Lesser with a cowboy hat on was sitting on his bumper waiting for him. Parts talked to him for twenty minutes before the guy asked "who are you" ? Plain old Parts

THEY PROTECTED US
YESTERDAY
WE PROTECT
THEM TODAY

Chances are, you own a military vehicle because you love and appreciate its proud history of protecting our freedoms. But are you giving your collector vehicle the essential protection it needs in return?

For insurance coverage that leaves nothing to chance, choose Hagerty. We provide insurance for the way you use your collector vehicles.

- Low premiums, expert service and no fixed mileage limits
- Coverage for out-of-the-ordinary vehicles and implements
- Guaranteed Value coverage means you receive every penny of your vehicle's value in the case of a covered total loss
- You choose the repair shop, or we'll pay you to do repairs yourself
- On-staff parts specialist to track down hard to find replacement parts for your vehicle

Protection that lives up to the vehicles that helped protect us. It's why, if you have a military vehicle, you belong with Hagerty.

Proud supporter of the MVPA and MVCC.

HAGERTY® WE MAY SELL INSURANCE BUT WE LIVE CLASSICS.

Sewn in our canvas shop from Matrix car cover material. This fabric allows moisture to escape, but rain beads and rolls off. The inside is soft and gentle on your paint job. Can be used outdoors as a weather cover or indoors as a dust cover. This cover is custom fit to the vehicle and features a stretch band in the lower hem to keep the wind from lifting it. Fits over spare tire and gas can. Two large grommets are installed for a security cable or tie down running under the vehicle. Easy for one person to put on or remove. Light gray color outside, white inside. A storage bag is included.

Remanufactured Engines

Surplus City Jeep Parts carries remanufactured 4 & 6 cylinder engines for military vehicles and civilian jeeps. We can rebuild your engine or order one from stock and exchange your core. Please call to discuss the details on this. Subject to availability.

MEAN WHILE DOWN AT THE LYSTER BAG

Display Locations at Fall and Spring Camp Delta Meets

By John Neuenburg, Camp Delta Activities Coordinator

In the Fall activities article we mentioned a MV showcase – Weasels and Other Tracked MVs. In April 2015 we are planning two. The first will be Emergency Vehicles – Fire, Rescue, Ambulance, MP, and Wrecker. All nationalities. Also we will have a Foreign Military Vehicle Showcase in April. This can include U.S. vehicles with foreign markings, or U.S. made vehicles for foreign contracts even if currently restored with U.S. markings. For example jeeps with British, Canadian, Chinese, or Russian data plates.

For multi-day displays such as living history camps or museum info tables, we are going to focus on the display areas by the two pools, with optional areas around the big field by the Willow trees if these will not interfere with MV showcases. KOA may relocate the dog run by next Spring. Last April some members set up a nice living history camp in the Dry Camping Field beyond the Pavilion. This looked great, however for April we really need to maximize the dry camping space there, and so that field will be set up as in prior years next April. Campers can set up whatever displays will fit in their campsites of course, but we really encourage folks to do displays in the high profile area by the pools and main road. Keep in mind this area is not for “civilian style” camping even if a military display is included. No Civvy vehicles or obvious civvy gear please. The whole thing should be a display, meaning living history-style camping only. Militaria collections using modern tables and tents may also qualify.

These common areas are NOT for vendors. Vendors must purchase a regular campsite, numbered or dry.

In September we focus our meet in Campground 4 and have sites available there. Since we have less dry camping pressure, we will designate part of the dry camping field for Civvy vehicle parking so people don't have to park on the levee. Drive past the Pavilion and look for signs. Otherwise there is no parking in the campgrounds other than in your own campsite, except for MV-only parking by the CG4 restrooms. This can include “for sale” MVs. Please do not store trailers in the dry camping field in September. We need space for commuters. Trailers can go on the levee in September, or the trailer parking field by the guard shack. In April do not park trailers on the levee because we get a LOT of commuters!

I will be the coordinator for displays in the common areas for both events. If you want to get something on the Activities Flyer that is handed out and posted at the meet, and printed in Issue #9, give me a shout at in_garage@hotmail.com or 415-491-1601. In September I can be found at space #297. Remember that Jo-Ann Lesser coordinates April camping only. Contact Stockton Delta KOA directly for September reservations, at 800-562-0913.
